

MEDIA RELEASE

FOR IMMEDIATE RELEASE

Following a motion presented at the Annual General Meeting of VicTenpins held at Werribee Superbowl on the 13th of December 2008, we are pleased to announce VicTenpins has become the State Branch of Tenpin Bowling Australia Limited.

Both Tenpin Bowling Australia Limited and VicTenpins see this as an important step forward in the support of the National Strategic Plan and for the future growth and development of the sport in Australia.

Importantly, within the State of Victoria this will allow VicTenpins to provide better delivery of programs and services to its members.

To assist the board in delivering these programs and services, we will be calling for "Expressions of Interest" from appropriately skilled and experienced individuals who are interested in contributing on Sub-Committees.

The Board of VicTenpins looks forward to working closely with the key stakeholders and its members in 2009.

Yours sincerely
